

The Gulfshore Playhouse Charter

Gulfshore Playhouse is a world-class regional theatre passionately committed to creating life-changing theatrical experiences and exceptional educational opportunities in our region, contributing vibrantly to the expansion of Theatre in our nation.

We challenge audiences and artists alike to think more broadly and connect more deeply. We aim to realize an environment of “art everywhere,” a place where everyone who walks through our doors leaves educated, enriched, and enlivened.

We are proud to be a charitable organization for the greater good, creating work intending to stir the soul, encourage thought outside our comfort zone, and explore what it means to be human.

Our staff engages in our growth by executing each task with precision and to the highest standards, committing to thoroughness, detailed communication, and teamwork.

We utilize solid business practice and deliver excellent customer service. We provide leadership, guidance, and inspiration by creating a safe space where all opinions are shared openly, all voices are valued, and all people are treated with courtesy and respect.

We honor our word and we act with integrity.

Our Business is Art.
